

Orthotic Solutions

Outgrowth Warranty Plan

Children or teens between the ages of one year and sixteen years growing one or more shoe sizes will receive one free pair.
(Recasting by your doctor is necessary)

How Does It Work?

The warranty program is available to cover the replacement cost of your child's orthotics. The warranty is good for **ONE** replacement pair of orthotics within a **24 month period**. Once you use the warranty you must re-enroll to continue coverage on the new pair.

What's not Covered?

The warranty does not cover doctor's fees, office visits, casting fees, or similar charges by your doctor.

All interactions concerning the care of your feet and orthotics will be through your doctor. Replacements or adjustments to orthotics are done by doctor's orders only.
